

Directions to Phoenix Aviation Lee-on-the-Solent Control Tower - 2nd Floor

*(If you have SatNav please **do not** use our postcode as that is generic for the whole airfield.
Instead use **PO13 9FU**. This will get you to the start of Daedalus Drive)*

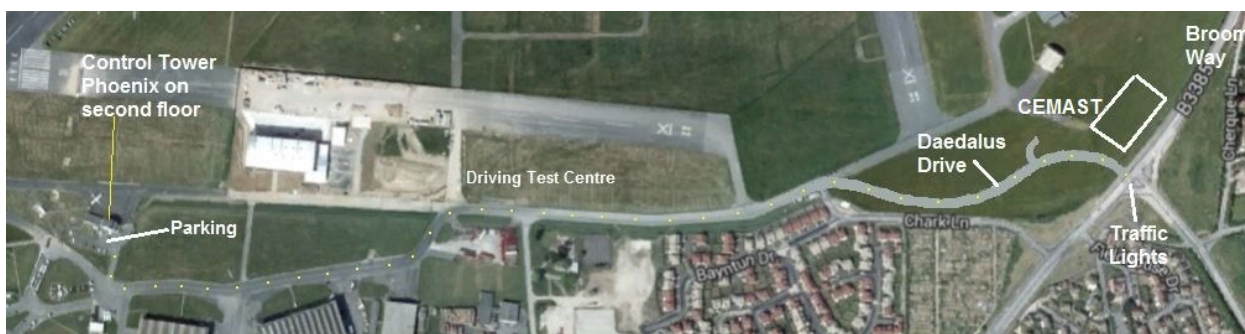

From Peel Common Roundabout travel down Broom Way towards Lee-on-the-Solent.

At the traffic lights by the new CEMAST building, turn right onto Daedalus Drive and continue along this road.

Stay on Daedalus Drive, passing the Driving Test Centre on your right, through the left/right kink before the MCA buildings on your right, and towards the Control Tower.

Take the third exit off the roundabout next to the Control Tower, and into the Car Park.

Parking is in any of the free car parking spaces available.

From the main entrance follow the signs up to reception on the second floor.

If we are busy, then there may be nobody immediately available – please be patient and we will see you as soon as possible.
